

Group exercise, agenda item 2A:

Group 1: UK NAO, Austria, Canada, Norway, Romania, France

Group 2: Netherlands, Hungary, European Court of Auditors, Sweden, India, Russia, US GAO

Group 3: Brazil, Saudi Arabia, Denmark, Georgia, South Africa

Issues for discussion:

- **Is there really a need for more innovative practices/methods in Data Science/Data Analytics?**
- **If so, ideas/suggestions how to get started?**
- **Is there anything the PAS could/should do as a committee? For example to raise awareness/support initiatives in the broader INTOSAI community?**
